

Electrical projects. One point of contact.

VADIY INC. · CAPABILITY STATEMENT

PROJECT MANAGEMENT · SERVICE COORDINATION · MAINTENANCE

New York State Certified
Service-Disabled Veteran-Owned Business

SDVOB 263023

NAICS 238210

Vadiy brings the scope, people and project record together. We support general contractors, primes, building owners and property managers with direct principal involvement and organized delivery across New York City's five boroughs, Westchester and Long Island.

Core capabilities

- Scope development, proposals and estimating coordination
- Schedules, RFIs, submittals and permit coordination
- Field coordination, progress reporting and closeout
- Electrical service, repairs and maintenance coordination
- Retail fitouts and commercial upgrade coordination

How we work

- One direct contact from walkthrough to closeout
- Written scope and price before work starts
- Digital tracking of decisions, changes and open items
- Named responsibilities for every project partner

Carlos Ramirez
CEO · Veteran · Majority owner

Licensed electrical partner

Vadiy manages the scope, schedule, communication and project record. Our electrical partner, E.N.E.L. Electrical Corp., performs the licensed electrical work under Giovanni (John) Dituri, NYC Master Electrician 012069.

Each proposal defines the licensed company's work and Vadiy's management role. SDVOB credit depends on the contract requirements and work Vadiy performs.

Bring us your scope.
